Subject: Excellent job!

Hi Jeff,

I want to express my appreciation to Anita Phillips and the team who installed our new carpet. The entire experience of working with Gomez was flawless: from the patience you showed as we slowly reached a decision on color and style, through the planning stage, to the installation. Everyone we encountered was helpful, courteous and efficient. I can't say enough about how pleased I am with the entire process. The carpet is beautiful, the installers courteously worked with us moving the shelving exactly where we wanted it, Anita Phillips was an excellent liaison and the project was finished ahead of schedule. I approached this project thinking that it would be a nightmare but because of Gomez Flooring it turned out to be a breeze. Excellent job! Thank you.

Sincerely,
Kate Lyon
